About us

It is the mission of The Youth and Family Project, Inc. to provide supportive services to youth and families helping them achieve an increased sense of safety, hope, and belonging. Over the last 18 months, we created resources and provided support to LGBTQ+ youth and their families in Washington County. What we found is that the need is great, and the resources are non-existent.

Goals & Objectives

Our 2022, 1st Annual Washington County Pride Celebration was put together in a two-month time frame, with very little funding. We knew we had to make that celebration happen. We wanted the families that we were serving to know how much they matter, and that they have a place in our community.

This year, the event will be much larger, and we anticipate several hundred attendees. This is an opportunity to support the community, celebrate our families, and raise some funds for a dedicated LGBTQ+ resource center.

Please consider sponsoring this event, and showing our LGBTQ+ youth and their families that Washington County cares about them.

All donations are tax-deductible. Donations can be made in any amount, payable to The Youth and Family Project, Inc., noting that the funds are for Washington County Pride Celebration 2023. Any funds remaining after the event will be applied to a dedicated LGBTQ+ resource center, housed at The Youth and Family Project, Inc.
